Henry W. Kinsman, Collector from July 24 to September 30, 1841	Newburyport	Maine	5 42

* *Note by the Collector.*—The compensation *for a year* was requested; but inasmuch as all the officers but one have been appointed only about two months, I can give only the compensation during that time, and have so stated it in the return. The reason why I am unable from the books of the office to ascertain the compensation of our predecessors is, that all the account-books and fee-books being considered private property, have been removed from the office, and the former collector has himself removed from town.

† The above statement is made out from the books of the Register of the Treasury. The following is the note of the collector in reply to the call for the information required by the law:

"It is not in my power to forward to you the statement required by your circular of the 2d ultimo. *The accounts of the Marine Hospital Physician have not yet been returned from the Treasury, where they were sent for adjustment, except the 4th quarter for 1840. I have, therefore, put the gross amount of his quarterly accounts as rendered by him. They are, by an order of the Treasury, subject to a deduction, which, I presume, will be made at the Treasury. I have extended only the amount paid the regular clerk, as the compensation is not made up of fees or commissions. The amount paid to others, during sickness and absence of the regular incumbent, was $144.—*Collector.*

POST OFFICE DEPARTMENT—*Letter to Hon. D. Webster.*

AUDITOR'S OFFICE, POST OFFICE DEPARTMENT,
December 2, 1841.

SIR: The information from this office necessary to enable you to form a Biennial Register, under the joint resolutions of Congress, approved April 27, 1816, and July 14, 1832, is completed, and lodged in the Department of State.

The lists comprise the names and compensation of—

1st. Auditor and Clerks.

2d. Printers employed by the Postmaster General, and by this office.

3d. Post Offices, Postmasters, and Clerks.

4th. General Contractors.

5th. Special Contractors.

6th. Special Mail Agents.

7th. Agents travelling with the Mail on important Railroad, and Steamboat routes.

Inserting the counties in the list of Post Offices, was on your own suggestion, and will greatly add to the value and convenience of the Register Other additions are made with the same object, and will produce the same result.

As far as has been practicable within the time limited to prepare the mass of information furnished by this office, I have embraced the whole period of two years, which seems to me to be required by the resolutions mentioned.

The compensation to Postmasters is given to the 30th of June, 1841; whereas, I perceive by the last Register, that it terminated on the 31st of March, 1839.

Most sincerely yours,
E. WHITTLESEY.

Hon. DANIEL WEBSTER,
Secretary of State.
